Recess duty:

We need support on the **playground** during recess time, which is from noon until 1:00p.m. If you can commit to a day, we would be so grateful. Sue Byrd may even reward you with a free bag of popcorn! Please sign below and let us know which day works best for you. We will give you one and a half service hours per day to cover the recess time and some of your travel time.

I can supervise on the playground during recess time.
